

Vicky Beach

Pathway Club: Wellington>Bridgwater>Street

Who was your coach: Sally Williams

Why have you moved into the designated competitive development club? Taunton is much closer to where I live, having already used the pathway to move to Street from Bridgwater. I can reach my potential with greater training and coaching support in Taunton.

There are more competitive opportunities for me and with all this I have managed to qualify for National Age Groups where I made a final and was selected for the England Talent Program I have since qualified for the National Youth Championships.
